

Delia United Church W.A.

Thirteen members attended the regular meeting of the Delia United Church W.A., held in the Annex on Tuesday, Nov. 2nd. The meeting opened with a devotion, prayer, in charge of Mrs. Bob Sinclair. The theme, "Taking time to live with Christ in your home at Xmas time," was discussed, followed by the Lord's Prayer.

The minutes were read and approved, and the treasurer, V. reported \$289.81 received as proceeds of the Fall Supper. This report was adopted.

The president, Mrs. Eberly, thanked all who had helped to make the supper a success.

Among the correspondence read was an invitation from the Drumheller Presbytery W.A., to attend an annual meeting in Drumheller on Nov. 26th.

Several donations were made by the W.A. this time: To the Church Board, \$125.00; to the Naramata and St. Stephen's fund, each \$10.00; to M. & M. fund, \$40.00; to the library, \$25.00.

It was decided the date of the Fall Supper will be changed to Nov. 20th. Mrs. Burns volunteered to convene the kitchen, and Mrs. Tilton the tea table, at the Annex.

The members at the meeting discussed catering to Marian Fulton's wedding reception. All were in favor, and arrangements were made to serve in the Annex on Saturday, Nov. 27th.

The hostesses for the December meeting will be Mrs. Mason and Mrs. Dwyer.

The meeting closed, and a delicious lunch was served by the hostesses, Mrs. Bob Sinclair and Mrs. Tilton.

Card of Thanks

The officers and members of the Delia United Church W.A. wish to thank all who helped to make the Fall Supper a success.

Women's Missionary Society

The regular meeting of the Delia W.M.S. was held in the Church Annex on October 21st, with the president, Mrs. S. Sloan, presiding.

Meeting opened by singing hymn No. 385, with a moment of silent prayer for Missionaries in foreign lands.

The devotion was taken by Mrs. A. Peters, reading a chapter from the book of Psalms, and led in prayer.

Secretary's report was read and approved.

Treasurer's report, also approved.

Moved and seconded, that plans be ordered for the C.G.I.T. girls. Carried.

Notice was received from Mrs. E. Hubbel (Sec.), Drumheller, of the joint meeting of the W.A. and W.M.S. Rally to be held in the Knox United Church, Drumheller, on Nov. 26th.

Christian Stewardship reported three get well cards, one sympathy card sent, three hospital calls made.

Supp. Sec. — It was moved that we send the quilt now on hand to the Bonnyville Boys' School. Carried.

The Study Book: "The Church in India," was taken by Mrs. H. Sloan, and proved very interesting.

Roll Call was answered by verse on Thanksgiving—eight members, one visitor present.

Meeting closed by singing hymn No. 348, and the Miphah benediction in union.

A dainty lunch was served by the hostesses, Mrs. S. M. Thompson.—Con.

In Memoriam

LINDSAY
In loving memory of Ross, who passed away Nov. 7, 1942.
"Until the day break, and shadows go away"
Ever remembered by—
Dad, Mother, Bill, and Mary.

Remembrance Day

O Lord, this day we turn again
To Thee for guidance in this hour:
That in the hush of silent prayer
Will come to each, new strength and power
To build a world, free from the pain
Of wars and strife and hopeless days.
Because we, too, have pledged our lives
To find Your Plan in all our ways.

Re-kindle now the flame of peace
That grows, as men and nations meet.
When self and greed become their god,
Their is the sin—they serve not Thee.
O Father, make those cold hearts burn
With self remorse that will not cease
Until we learn that wars will end,
Only when hearts have found Your Peace.

C.G.I.T. Meeting

The C.G.I.T. group held their last meeting of October on the 27th, in the United Church Annex, with 16 members present.

The meeting started with the Roll Call.

The minutes were then read, and adopted.

The meeting then turned to the C.G.I.T. group held their last meeting of October on the 27th, in the United Church Annex, with 16 members present.

Obituary

We received the following in the mail from a subscriber at the coast, with the request that we write up same for our paper. Sorry we are unable to comply without the necessary particulars:—

Mrs. Bowden Reid Held
SQUAMISH—Funeral was held Sunday for Mrs. Audrey Margaret Bowden, 25, from Squamish, British Columbia.

She is survived by her husband, Edward; two daughters, Betty and Laurel; two sisters, Betty in England and Mildred in Vancouver; a brother, Jack in Surrey, and her parents Mr. and Mrs. Jolly in Cloverdale.

DELIA F.W.U.A.

The October meeting of Delia F.W.U.A. was held on the 14th, with 10 members present.

Plans were completed for the Costume Dance to be held on Oct. 29th, with Bob Hoy's Orchestra to supply the music.

Kasper Kempf is letting the F.W.U.A. have permanent use of a propane stove, for having it stored in the F.U.A. Hall.

All members were asked to bring literature on Pakistan to the next meeting.

Roll Call was answered by "Embarrassing moments."
Lunch was served by Mrs. T. Goul, Mrs. E. Pearson, and Mrs. H. Edwards.

—Mrs. F. Beale, Cur.

Since 1947 the output of Canada's wire and wire goods industry has almost doubled.

Quiet Warriors Against Crime

So much has been written, filmed, said, and sung about the Royal Canadian Mounted Police that they have become almost legendary in their own time. The true story of the modern Mountie is, however, even more exciting. The RCMP's relations with the public are not a succession of gun-fights and 70 m.p.h. car-chases; most of their work is done quietly in laboratories such as the one above, showing two fingerprint experts in this Maple photo.

A new series by the CBC, aptly titled "The Quiet Force," will bring listeners to the RCMP's laboratories to see how the RCMP's relations with the public are not a succession of gun-fights and 70 m.p.h. car-chases; most of their work is done quietly in laboratories such as the one above, showing two fingerprint experts in this Maple photo.

The subject of seed control may seem out of place in November, but its importance is less than it might at first appear. Since it is never too early to plan and prepare for the coming season's farm operations, now it may be timely to consider various aspects of seed control for 1955.

The first step is to decide what is to be grown in the coming year.

Where a fixed system of rotation and crops is followed, the answer is clear. Where there is a chance that the kind and acreage of crops will differ from the past season, due to circumstances of markets or other causes, then planning is necessary.

Since the planning has been made, it is well to consider seed supplies, and then the possible weed problems that may accompany the growth of the chosen crops.

Regard of source of seed supply, the seed chosen should be pure as to kind and variety and, above all, free from weed seeds. It may seem needless to drill clean seed into weed-infested soil, but it leaves more seedless to add additional, and possibly more troublesome kinds of weed seeds to the land.

A worthwhile project for most grain farmers will be the periodic replacement of seed supplies by the purchase of limited quantities of registered or certified seed and the increase of this supply in a seed plot.

During the next few months is an excellent time to check and repair all weed control equipment, including sprayers, dusters, and cultural machinery. Seasonal delay and expense can be saved, and timely operation can be assured, if equipment has been put into a proper state of repair before spring work begins.

It is possible also to check on the latest information for specific seed control equipment.

The experimental findings of the past year are now being summarized, and the results of Western Canada seed control studies for general use by the end of the year. Your nearest Experimental Station or District Agriculturalist may be able to help you find weeds in the off season.

NOVEMBER 22nd IS ROUNDUP DAY!

The co-operation of Alberta farmers will determine the success of this very important Farmers' Union membership drive. The issue is squarely up to the farmers to take this opportunity to build a strong Farmers' Union.

U.F.A. Co-op., organized by farmers to serve farmers in the farm supply field, is keenly interested in the development of a strong Farmers' organization. To get a fair deal for agriculture it is essential to have a farm organization with a membership representing the majority of the Farmers of Alberta.

U.F.A. Co-op. strongly urges all its members to play a part in Roundup Day. Join the Farmers' Union of Alberta. Get your neighbors to join.

United Farmers of Alberta Co-Operative Limited

Marketers of MAPLE LEAF Petroleum Products.

Speculation in Coffee

The world output of coffee last year exceeded effective demand by a million bags, according to the U.S. department of agriculture. Nevertheless, speculative activity was engendered in the New York coffee exchange so that prices soared to a high peak. The result was a 20 per cent increase in coffee consumption and a heavy outpouring in Brazil, the greatest coffee producing nation in the world.

Drop in Oil Prices

On October 15 the Imperial Oil Company announced the reduction in the warehouse prices of a cent a gallon for gasoline and 1/8 of a cent a gallon for light fuel oil in the four provinces of western Canada. In Calgary service stations cut prices by 1 cent a gallon on gasoline and light fuel, and other parts of the province are expected to follow suit.

Television Antennas

The installation of television antennas supporting structures adjacent to overhead power lines constitutes a serious accident and fire hazard. If the structure contains the power line either when it is being erected or later under storm conditions, the full voltage of the power line will be impressed on the structure and antenna. Fatal accidents and fires have been caused by such contacts.

Persons erecting television antennas should wherever possible maintain sufficient clearances from the power lines to ensure that no contact will be made if the antenna structure falls. It is recommended that the distance from the power line be six feet greater than the total height of the structure. Where such clearances cannot be obtained the structure must be securely guyed away from the power line. The company owning the power line should be notified when the installation is being made so they may have a representative present to temporarily disconnect the line, if necessary.

Details of safe construction standards for Domestic antennas exceeding fifteen feet in height have been compiled by the Canadian Standards Association under Specification C22.4 No. 12. These Specifications are available from the Canadian Standards Association, National Research Building, Ottawa, at a cost of 75c. per copy.

The minimum requirements for the installation of television antennas and lead in cables, together with the protective grounding required are contained in Section 51 of the Canadian Electrical Code, Part 1, Sixth Edition, which has been adopted under the Electrical Protection Act of Alberta.

SHONS FOR CANADA—Hon. Lester B. Pearson, Minister for External Affairs, adds his name to a document of agreement signed by all nine signatories at the successful conclusion of the Nine-Power Conference in London.

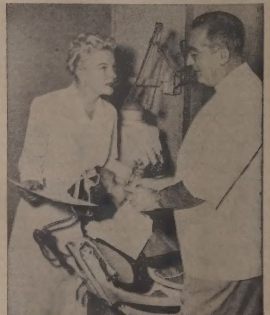

THIS PORTRAIT of Queen Mother Elizabeth II is made especially for her forthcoming visit to Canada and the United States. She is scheduled to sail October 21 aboard the Queen Elizabeth and arrive in New York City October 28. Plans call for the Queen Mother to stay at the White House in Washington, D.C., from November 4 to 6. The visit to Washington will precede her visit to Canada. She plans to leave for home on November 13.

FRENCH PRESIDENT RENE COTY takes over the helm of a "warship." The vessel is a wooden model of an aircraft carrier, "Aiguille d'Orfer Paris," which is tied to the banks of the river Seine in the heart of Paris.

NO DRIVING ON THIS JOB—It takes a wide-awake operator to "dig" a building through an 11-story building from the roof to the basement. The 1500-pound machine was assembled atop a building being wrecked in Kansas City, Mo., and used to grab debris over the side of the structure as it was demolished, floor by floor.

BOBO ROCKEFELLER puts in her first evening of duty as a volunteer dentist's aide as she assists at the free dental clinic on New York's east Broadway. The wealthy ex-wife of Winthrop Rockefeller serves one night a week, having received and handing instruments to dentists. The clinic said she asked to serve because as a child she received dental care from a free clinic in Chicago.

THESE THREE FINDS were uncovered at the Mithras Temple unearthed during building excavations at Watlington in the City of London. They are a head believed to be that of Serapis, the Egyptian harvest god; a small male figure with a ram at its feet, and a large hand.

WITH THE MERCURY hovering around the 25-degree mark and a brisk wind blowing snow into the stands, these football fans, loyal to the red, were among the 12,000 who recently stuck it out at a Calgary-Edmonton game played in Calgary, Alta.

HE'S 'HANDY'—Irvin W. Weiss, above, eastern intercollegiate football official, demonstrates two new hand signals football fans will be seeing this fall. At left, he shows the signal for an illegal substitution, and at right the sign for an illegal shift. Below, the "go" on Pat Brady's sweater stands for "Pretty," not for "Pansyvania." The New York model is a model of all cheerleaders who add a warm touch to football fields across the nation on chilly fall days.

— SHE'S DANDY

PRETTY FOXY—Freddie, the fox, makes friends first with star, who is owned by Bob Bradley of San Diego, Calif., before introducing himself to Kitty, at left, in his new home at the Babson Park Studios. The odder assorted trio haven't been told they're supposed to be mammals, and even the horses haven't said "neigh" to their unusual neighborhood.

WHILE GILL—The skirts of a Bavarian dancer fly high as she does some fancy stepping in the Oktoberfest procession in Munich, Germany. The parade marks the opening of the annual beer-drinking festival.

WHITE SUEDE summer shoes with elastic fronts and a punched sole pattern giving an open look, at the recent Canadian Shoe and Leather Show in Montreal.

TEIO ROLOFF—The Andrews triplets of Minneapolis, Minn. (no relation to the singing trio), and his youngest daughter, on two things; each of the girls grows differently, and each wants to pursue a separate career. The triplets ever enrolled at Northwestern University, Chicago. The triplets (top) plans to teach. Jane Lee (middle) hopes to nurse, and Charles has yet to choose.

END OF ROMANCE—Joe DiMaggio closes for the last time the door of the Hollywood home he's shared with Marilyn Monroe. The former baseball star packed up and left for San Francisco an hour before his wife married and headed for her studio. Said Joe: "I'll never come back to this house."

shortage of workers in industry, agriculture and business. Importation of foreign labor is being discussed, with Italy considered the most likely source.

Number of unemployed in West Germany fell to a record low of 820,000 at the end of August. Most of these are women looking for part-time work and men who are technically unemployable. There is already a shortage of skilled labor.

— The Labor Review

Stan. Larson and Charlie Lawrence were motor visitors to Drumheller last Saturday.

Little Roy Sloan had the misfortune last week to break an arm while swinging, by striking one of the posts.

Major J. L. Newman, of Vancouver, who has been visiting with his son and daughter-in-law during harvest, left for his home on Sunday last.

Fine Indian summer weather prevailed during the past week. At present writing (Tuesday) skies are overcast, with light easterly wind, and the temperature around 50 above.

Local and District

J. J. Bradford is a patient in the Hanna Municipal Hospital.

Daniel, son of Mr. and Mrs. C. Swainston, of Delia, is a patient in the Hanna Municipal Hospital.

Born, at Drumheller hospital, on Monday, November 1st, 1954, to Mr. and Mrs. Joe Holman, of Delia, a son.
